Title: SEMICONDUCTOR DEVICE HAVING AN EDGE TERMINATION STRUCTURE
AND METHOD OF MANUFACTURE THEREOF

PETITION TO WITHDRAW ABANDONMENT UNDER MPEP SECTION 711.03(c)

Sir:

Applicant(s) hereby petition to withdraw the holding of abandonment as evidenced by the Notice of Abandonment dated November 30, 2007 (copy attached).

The holding of abandonment is in error for the following reasons.

In response to the Notification of Missing Requirements dated July 6, 2006, an Oath and Declaration executed by the Inventor(s) was transmitted via Facsimile to the USPTO. This reply was received by the Patent Office on July 31, 2006, as evidenced by the attached copy of the Auto-Reply Facsimile Transmission.

Since all acts required of Applicant(s) to accomplish a timely response to the Notification letter mailed on July 6, 2006, the holding of abandonment was in error, and Applicant(s) hereby petition for its withdrawal.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of

the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The Commissioner is hereby requested and authorized pursuant to 37 CFR §1.136(a)(3), to treat any concurrent or future reply in this application requiring a petition for extension of time for its timely submission, as incorporating a petition for extension of time for the appropriate length of time. Please charge any additional fees which may now or in the future be required in this application, including extension of time fees, but excluding the issue fee unless explicitly requested to do so, and credit any overpayment, to Deposit Account No. 50-4019.
